

Port Moody Aquarians Swimming, Water Polo & Diving Club

Swim-a-Thon Fundraiser

The Swim-a-Thon in July is one of our best fundraisers as well as a social event for the club. Each swimmer collects pledges from family and friends in the weeks before the Swim-a-Thon. These pledges can be for how many lengths they swim, or a flat rate.

Awards and prizes are given out to individual swimmers based on participation, distances swum and amounts raised. There will also be a dinner after the main event for those that choose to stay and enjoy the wonderful weather.

More details about this year's Swim-a-Thon will be sent out in June.

Ways you can help with this fundraiser:

- Collect pledges with your swimmer from family & friends
- Encourage your child to swim hard & have fun
- Count & record lengths for swimmers
- Tally up results for the awards
- Cook dinners served after the Swim-a-Thon
- Collect pledged money from family & friends after the Swim-a-Thon

If you have questions or would like to help out, email us at aquarians.info@gmail.com.
